Plaintiff Michael Kent (“Plaintiff”), upon information and belief, including an examination and inquiry conducted by and through his counsel, except as to those allegations pertaining to Plaintiff, which are alleged upon personal belief, alleges the following for his Complaint:

**NATURE OF THE ACTION**

1. Plaintiff brings this action against Spirit Realty Capital, Inc. (“Spirit” or the “Company”) and its corporate directors for violating Sections 14(a) and 20(a) of the Securities Exchange Act of 1934 (the “Exchange Act”), 15 U.S.C. §§ 78n(a), 78t(a), and U.S. Securities and Exchange Commission (“SEC”) Rule 14a-9, 17 C.F.R. §240.14a-9 (“Rule 14a-9”), in connection with the proposed

combination of the Company with Realty Income Corporation (“Realty Income”).<sup>1</sup>

2. On October 29, 2023, Spirit entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Realty Income and Realty Income’s wholly owned subsidiary, Saints MD Subsidiary, Inc. (“Merger Sub”). The Merger Agreement provides that each share of Spirit common stock will be converted into 0.762 newly issued shares of Realty Income common stock.<sup>2</sup>

3. The Company’s corporate directors subsequently authorized the December 19, 2023, filing of a materially incomplete and misleading Schedule 14A Definitive Proxy Statement (the “Proxy Statement”) with the SEC. The Proxy Statement, which recommends that Company stockholders vote in favor of the Proposed Transaction, omits or misrepresents material information necessary and essential to that decision. Defendants authorized the issuance of the false and misleading Proxy Statement in violation of Sections 14(a) and 20(a) of the Exchange Act.

4. It is imperative that the material information omitted from the Proxy

<sup>2</sup> Spirit stockholders will own approximately thirteen percent of the combined company upon consummation of the Proposed Transaction.

Statement is disclosed to the Company's stockholders prior to the forthcoming stockholder vote so that they can properly exercise their corporate suffrage rights, among other things.<sup>3</sup>

5. For these reasons and as set forth in detail herein, Plaintiff seeks to enjoin Defendants from taking any steps to consummate the Proposed Transaction unless and until the material information discussed below is disclosed to the Company's stockholders or, in the event the Proposed Transaction is consummated, to recover damages resulting from the defendants' violations of the Exchange Act.

### **JURISDICTION AND VENUE**

6. This Court has jurisdiction over the claims asserted herein for violations of Sections 14(a) and 20(a) of the Exchange Act and SEC Rule 14a-9 promulgated thereunder pursuant to Section 27 of the Exchange Act, 15 U.S.C. § 78aa, and 28 U.S.C. § 1331 (federal question jurisdiction).

7. This Court has jurisdiction over the defendants because each defendant is either a corporation that conducts business in and maintains operations within this District, or is an individual with sufficient minimum

Spirit owns approximately 97 properties in this District. Moreover, each of the Individual Defendants, as Company officers or trustees, has extensive contacts within this District.

## **SUBSTANTIVE ALLEGATIONS**

### **The Proposed Transaction**

21. On October 30, 2023, Realty Income and the Company jointly announced in relevant part:

SAN DIEGO and DALLAS, October 30, 2023 . . . Realty Income Corporation (Realty Income, NYSE: O), The Monthly Dividend Company®, and Spirit Realty Capital, Inc. (Spirit, NYSE: SRC), announced today that the two companies have entered into a definitive merger agreement by which Realty Income will acquire Spirit in an all-stock transaction valued at an enterprise value of approximately \$9.3 billion. The leverage-neutral transaction is expected to deliver over 2.5% accretion to Realty Income’s annualized Adjusted Funds from Operations (AFFO) per share. Additionally, no new external capital is expected to be required to finance the transaction. The merger, once completed, will result in an enterprise value of approximately \$63 billion for the combined company, enhancing Realty Income’s size, scale, and diversification to expand its runway for future growth.

Under the terms of the merger agreement, Spirit shareholders will receive 0.762 newly-issued Realty Income common shares for each Spirit common share they own. At closing, this will result in Realty Income and Spirit shareholders owning approximately 87% and 13%, respectively, of the combined company. The merger is subject to customary closing conditions, including the approval of Spirit shareholders, and is expected to close during the first quarter of 2024. Additionally, from the date of the merger agreement through the closing of the transaction, Spirit may declare and pay regular, quarterly cash dividends to holders of its common stock and to holders of its preferred stock. No approval of Realty Income shareholders will be required in connection with the merger.

“The merger with Spirit is yet another example of how our size, scale, and unique platform value continue to create substantial value for our shareholders,” said Sumit Roy, President and Chief Executive Officer of Realty Income. “We expect that this transaction will create immediate and meaningful earnings accretion, while enhancing the diversification and depth of our high-quality real estate portfolio. Spirit’s assets are highly complementary to our existing portfolio, extending our investments in industries that have proven to generate durable cash flows over several economic cycles. We also believe this merger will strengthen our longstanding relationships with existing clients and allow us to curate new ones with partners whose growth ambitions can accelerate alongside Realty Income. Moreover, our technology and infrastructure investments following the VREIT merger in 2021 have amplified our efficiency in integrating assets and augmented our capabilities in maximizing the value of our properties.”

Jackson Hsieh, President and Chief Executive Officer of Spirit Realty said, “Since the board appointed me CEO in 2017, our leadership team and dedicated associates have effectuated numerous accomplishments, including improved tenant quality and asset diversification, implementation of advanced analytical tools and processes, and an excellent balance sheet with well-laddered maturities and below-market fixed debt costs. This transaction is the culmination of these accomplishments, and merging with Realty Income offers Spirit’s shareholders immediate value by providing a

more competitive cost of capital, an A-rated balance sheet, broader tenant diversification, and the ability to leverage economies of scale.”

### **Investment Rationale**

- **Significant anticipated AFFO per share accretion on a leverage-neutral basis with meaningful cost synergies.** Relative to its standalone annualized AFFO per share run rate, Realty Income estimates the transaction to be over 2.5% accretive while maintaining a combined leverage ratio of approximately 5.5x (based on Net Debt and Preferred Equity / Annualized Adjusted EBITDA as of June 30, 2023). As of June 30, 2023, Realty Income and Spirit maintained leverage ratios of 5.4x and 5.5x, respectively. The estimated earnings accretion assumes approximately \$50 million of annualized G&A synergies (or approximately \$30 million of annualized G&A synergies excluding stock-based compensation).
- **Complementary real estate portfolio improves diversification and enhances runway for future growth.** The combined portfolio is expected to result in reduced rent concentration for nine of Realty Income’s current top 10 industries and 18 of its current top 20 clients, while increasing the combined portfolio’s annualized contractual rent from \$3.8 billion to \$4.5 billion. Convenience stores are expected to remain the combined company’s largest industry, at 10.2% of annualized contractual rent for the combined portfolio as of June 30, 2023, compared to 11.1% of annualized contractual rent of Realty Income on a standalone basis. The Industrial property type is expected to represent 15.1% of annualized contractual rent for the combined portfolio, compared to 13.1% of annualized contractual rent of Realty Income on a standalone basis. The enhanced size, scale, and diversification of the portfolio further positions Realty Income as the real estate partner of choice for large net lease transactions, particularly given the current interest rate environment.

- **Public capital not expected to be required to finance transaction, low in-place rates on existing debt.** Earnings accretion is supported by approximately \$4.1 billion of existing Spirit debt at a weighted average interest rate of 3.48% and weighted average term to maturity of approximately 4.9 years. In addition, Realty Income intends to assume approximately \$173 million of Spirit's outstanding Series A Preferred Stock at an annual cash dividend of 6.0%, which is redeemable at par and is expected to remain publicly traded on the New York Stock Exchange.
- **Prudent investment underwriting bolstered by proprietary credit research and predictive analytics platform.** Realty Income's longstanding investment track record over multiple decades is supported by historical outcomes, insights and data analytics gleaned from its net lease real estate portfolio. We believe our comprehensive and conservative underwriting approach positions the investment to retain potentially meaningful earnings and value upside over the long-term.
- **Preserves quality of key credit metrics for best-in-class balance sheet.** Realty Income remains one of only eight U.S. REITs with at least two A3 / A- credit ratings by Moody's and S&P and is committed to maintaining its conservative credit metrics while executing on its growth strategy. In addition to the transaction resulting in leverage neutrality, Realty Income is expected to maintain or improve several key credit metrics as a result of this transaction, including with respect to fixed charge coverage, unsecured assets / unsecured debt, secured debt / gross assets and total debt / gross assets.
- **Benefits of scale extends to capital markets as Realty Income solidifies position as one of the largest real estate companies in the S&P 500.** Pro forma for the merger, Realty Income expects to remain in the top 200 of the S&P 500 index and become the 4th largest REIT in the index, by enterprise value, with a total enterprise value of approximately \$63 billion. Further, after giving effect to the merger agreement's

fixed exchange ratio and the company's current 3-month average daily trading volume, the resulting Realty Income stock is expected to trade approximately \$300 million of value on a daily basis. We believe the company's highly liquid share currency and increasing representation in key benchmark equity indices will create natural demand for the stock and provide Realty Income with meaningful flexibility to continue to effectively and efficiently access the capital markets.

directors have secured employment with Realty Income upon closing of the Proposed Transaction.

32. The Proxy Statement further fails to disclose whether any of Realty Income's proposals or indications of interest mentioned management retention in the combined company following the Proposed Transaction or the purchase of or participation in the equity of the surviving corporation, as well as the details of any discussions or negotiations concerning management participation in the combined company that occurred prior to execution of the Merger Agreement.

33. The omission of the above-referenced information renders statements in the "Spirit Unaudited Prospective Financial Information," "Opinion of Spirit's Financial Advisors," "Background of the Merger," and "Interests of Spirit Directors and Executive Officers in the Merger" sections of the Proxy Statement materially incomplete and misleading in contravention of the Exchange Act.

34. Absent disclosure of the foregoing material information prior to the stockholder vote, Plaintiff and the other stockholders of the Company will be unable to make a sufficiently informed decision in connection with the Proposed Transaction and are thus threatened with irreparable harm warranting the injunctive relief sought herein.
